

CHEL CHHABILO GUJARATI

**A Musical Show presenting Gujarati Songs
Along with Literary Appreciation**

Sung & conceived by SANJAY OZA

The great critic of Art & Literature Aristotle has said, the basic purpose of Art is to give pleasure. Here few words are added by us-Pleasure through our Language and Music.

CHEL CHHABILO GUJARATI has been proved perhaps the most popular programme of Gujarati Songs. This is so because it has imbibed in it the most famous songs that have caught the heads and hearts of the people for the last forty or fifty years. These songs are still alive and are enjoyed by the young and the old of today's Gujarat. The songs are written and composed by the eminent poets and music composers. The song, music and poetic patterns consist of Sugam sangeet, Folk music and also old and modern classic poetries.

Also, the whole show is presented by the most eminent poet, Shree Tushar Shukla. His poetic and humorous pattern not only uplifts the song but also establishes our Gujarati cultural values, relevant to the song.

A fresh and colorful attempt, in the entire event CHEL CHABILO GUJARATI, is always made while performing; giving pleasant feeling to listen and watch.

Hence, our DREAM is to present this show CHEL CHABILO GUJARATI among the Gujaratis of India and abroad, so as to fulfill the requirement of entertainment in total, that too through OUR LANGUAGE.
